

## Details

It's that time of year again, and our annual ski and snowboard retreat is just around the corner! This year we are excited to be staying once again at Rockford Springs Community Church, skiing or snowboarding at Caberfae Peaks, and having Pastor David VanderMeer of Rockford Springs lead our discussions that will deal with the question "what is biblical worship".

Note- We will carpool on Sat morning from Rockford Springs to Caberfae, and will need some people to be willing to drive. I would encourage people who ride along to offer their driver some money toward gas. The drive will take around 1:20min.
